INFORMATION DISCLOSURE STATEMENT

S I R :

Submitted herewith is a Form PTO/SB/08A (3 pages) listing
the particulars of the documents cited by the Applicant and by
the Examiner in parent application Serial No. 09/663,676, and
which were made "of record" in said parent application.

Copies of the publications listed on the attached Form
PTO/SB/08A are not supplied herewith. As per 37 CFR 1.98(d),
which was effective March 16, 1992, copies of publications listed
in an Information Disclosure Statement are not required to be
provided if the information was cited or submitted in a prior
application. The present application properly identifies prior
parent application Serial No. 09/663,676 (filed: September 18,
2000) and relies upon said prior parent application for an
earlier filing date under 35 USC 120.

Commercially available English Abstracts are provided
herewith for Japanese 2000-070284; 2000-139949 and 2000-316873.

It is respectfully requested that the Examiner consider the publications identified on the attached Form PTO/SB/08A (3 pages) submitted herewith and make them of record, as in the parent application.

It is further requested that the Examiner return an initialed copy of the attached Form PTO/SB/08A to confirm that the publications listed therein have been made of record.

The references are all relevant since they are "of record" in the parent application of which the present application is a Divisional.

It is respectfully requested that prosecution on the merits now proceed on the basis of the application as amended herewith.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned at the telephone number given below for prompt action.

Respectfully submitted,
